Advance Extra Large Zip Pouch Black

2103781 **RRP. £6.95**

The practical Rexel Advance Extra Large Pouch offers large storage capacity while the micromesh main casing allows contents to be viewed. It includes an exterior zipped pocket to take smaller items and is 4 hole punched with reinforced metal eyelets so it can be stored in a standard ring binder.

- Built strong to last, made with durable punture resistant micro mesh designed to withstand rough wear and tear
- Large pouch for maximum storage capacity; allows content viewing
- Exterior zipper pocket to store smaller supplies
- 4 hole punched for standard ring binders with reinforced metal eyelets
